

Introduction

Takukot Community Library was established at Takukot V.D.C, Gorkha district with the initiation and active participation of local youth. It is located at geographically remote and rural area where limited access to community library and non formal education impede the overall development process. Due to lack of infrastructure, the condition of women and children along with youth is very pathetic. So, the library's activities and programs mainly focus on women, children, youth and elderly people of society. The library was established with an aim of providing knowledge on various social issues such as health, education, drinking water, environment, good governance, human rights and domestic violence.
